Independent Auditors' Report

We have audited the accompanying financial statements of Agua Mansa Industrial Growth Association (AMIGA) of the County of San Bernardino as of and for the year ended June 30, 2020, and the related notes to the financial statements as listed in the table of contents.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express opinions on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the minimum audit requirements and reporting guidelines for California Special Districts required by the Office of the State Controller. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Opinions

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of AMIGA of the County of San Bernardino, as of June 30, 2020, and the respective changes in financial position for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Required Supplementary Information

Management has omitted Management's Discussion and Analysis that accounting principles generally accepted in the United States of America require to be presented to supplement the basic financial statements. Such missing information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. Our opinion on the basic financial statements is not affected by this missing information.

NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The accounting policies of the Agua Mansa Industrial Growth Association (AMIGA) conform to generally accepted accounting principles as applicable to governments. The Governmental Accounting Standards Board (GASB) is the accepted standard-setting body for establishing governmental accounting and financial reporting principles.

Reporting Entity

The Agua Mansa Industrial Growth Association (AMIGA) was established under a Joint Powers Agreement by the County of San Bernardino, the County of Riverside, the City of Colton, the City of Rialto, and the City of Riverside (Jurisdictions) on May 17, 1985. The Jurisdictions utilize joint powers to manage, coordinate, market, and administer economic development programs and projects in the Agua Mansa Enterprise Zone (Zone) area. The Zone comprises specific areas within each of the five jurisdictions.

AMIGA is authorized and empowered to contract with all the other parties for the joint exercise of powers under Article I, Chapter 5, Division 7, Title 1 of the Government Code of the State of California, Sections 6500 et seq. AMIGA is self-governed by an Executive Committee which is comprised of one member appointed by each jurisdiction. The County of San Bernardino is the administrative agency. AMIGA Executive Committee adopted resolution 2003-04 to establish and act as the legislative body for the AMIGA Community Facilities District No. 2002-1 (CFD). The Zone and the area served by the CFD are geographically the same. In July 2003, bonds were issued under the Mello-Roos Community Facilities Act of 1982 to stimulate private investment in business and industrial growth in the Zone (Bonds) on the behalf of the CFD. AMIGA provides administrative services to the CFD. On February 13, 2014, AMIGA adopted Resolution 2014-02 which authorized the issuance of the 2014 Series bonds in the amount of \$9,170,000. The proceeds of the 2014 bonds were used to refund the outstanding 2003 Series.

The Agua Mansa Enterprise Zone sunset on October 14, 2006. The final distributions to the JPA Jurisdictions occurred in fiscal year 2009. The AMIGA Executive Committee continues to meet annually for the sole purpose of approving the tax levy for the Bonds.

Measurement focus, basis of accounting, and financial statement presentation

Financial statements of fiduciary funds are reported using the economic resources measurement focus and the accrual basis of accounting, except for the recognition of certain liabilities of defined benefit pension plans and certain postemployment healthcare plans.

AMIGA reports one fiduciary fund, which accounts for the special assessment revenue received and the subsequent pass through of this revenue to the fiscal agent for debt service and administrative payments. Agency funds are used to account for assets held by an entity as an agent for individuals, private organizations, other governments or other funds or both. The funds are custodial in nature (assets equal liabilities) and do not involve measurement of the results of operations.

Deposits and Investments

Cash and cash equivalents are considered to be cash on hand, demand deposits and short-term investments with original maturities of three months or less from date of acquisition.

Agua Mansa Industrial Growth Association
Notes to the Basic Financial Statements
June 30, 2020

NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses, during the reporting period. Actual results could differ from those estimates.

NOTE 2: CASH and INVESTMENTS

AMIGA's cash is deposited with the Treasurer of the County of San Bernardino, who pools and invests the cash for the purpose of increasing earnings through investment activities. Interest earned on pooled investments is deposited to the agency fund based upon the fund's average daily deposit balance during the allocation period.

See the County of San Bernardino's Comprehensive Annual Financial Report (CAFR) for details of the County's investment policy and disclosures related to the investment credit risk, concentration of credit risk, interest rate risk and custodial credit risk as required by GASB Statement No. 40 and fair value hierarchy as required by GASB No. 72.

NOTE 3: SPECIAL ASSESSMENT ACCOUNTING – 1982 ACT BONDS

The Bonds are not the liability of AMIGA and therefore the Bonds do not appear in the accompanying financial statement. The Bonds are payable from the net proceeds, after payment of certain administrative expenses, from an annual Special Tax that is levied and secured by a continuing lien against all nonexempt property located within the CFD. US Bank is the Fiscal Agent of the bond proceeds. Amounts levied on parcels within the County of San Bernardino are immediately transferred to the Fiscal Agent for payment of the Bonds and administrative expenses for AMIGA. As noted above, the 2014 Series were issued in February 2014 in the amount of \$9,170,000 to refund the original 2003 Series. As of June 30, 2020, the outstanding principal on the 2014 Series was \$7,740,000.

NOTE 4: INSURANCE POLICY

AMIGA has directors and officers liability coverage of \$1 million for each claim and \$1 million in the aggregate.

NOTE 5: SUBSEQUENT EVENTS

Management has evaluated subsequent events through November 17, 2020, the date the financial statements were available to be issued.
