RE: Review of Certified Statement of Assets Transferred  
Date of Transfer May 20, 2023

We have completed a review of the Innovation and Technology Department's (Department) Certified Statement of Assets Transferred (CSAT) form for the incoming official Lynn Fyhrlund, Chief Information Officer, as of the date of transfer May 20, 2023. The primary objectives of the review were to determine if the CSAT form was accurate, complete and filed timely with the Auditor-Controller/Treasurer/Tax Collector (ATC).

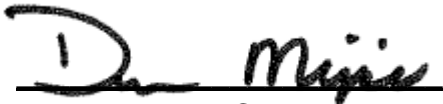

Our review determined that the form was complete, however, it was not filed in a timely manner, and there were amounts that were reported inaccurately.

The Department is responsible for correcting the amounts on the CSAT form within 30 days of receipt of this report. The updated CSAT form should be maintained at the department level and available upon request.

We would like to express our appreciation to the personnel at the Department who assisted and cooperated with us during this engagement.

Respectfully submitted,

Ensen Mason CPA, CFA

## **Purpose**

Each County officer or employee in charge of any office, department, service, or institution of the County, and the executive head of each special district whose affairs and funds are under the supervision and control of the Board of Supervisors or for which the Board is ex-officio, is required to make and file with ATC a complete detailed inventory of all property belonging or pertaining to his/her office within five days after assuming the duties of the office.

Departments are responsible for completing their own CSAT form when there is a change in Department Head. The 2018 Internal Controls and Cash Manual (ICCM) Chapter 17-Transfer of Assets and Other Property states that incoming officials must complete and submit the CSAT form and worksheet to the ATC's Internal Audits Division (IAD).

## **Scope and Objectives**

Our review examined the CSAT form completed by the Department for the incoming official Lynn Fyhrlund, Chief Information Officer, as of the date of transfer May 20, 2023.

The objectives of our review were to determine whether the form was accurate, complete, and filed timely.

## **Methodology**

The CSAT form and supporting documentation provided by the Department were reviewed to verify that the amounts entered on the CSAT form were correctly stated in accordance with the ICCM Chapter 17-Transfer of Assets and Other Property.

## Purpose, Scope, Objectives, and Methodology

The following procedures were performed in accordance with the related ICCM requirements:

ICCM Requirement	Procedure Performed
ICCM Chapter 17-2 states that incoming officials must total all money not held in the County Treasury that the department is responsible for.	Department-provided cash amounts were compared to the cash fund control records.
ICCM Chapter 17-2 states that amounts of all fiduciary funds must be reconciled to the amount as of the transfer date.	Auditor obtained fiduciary fund amounts in SAP (Enterprise Financial Management System) and compared them to the amounts provided by the Department, if any.
ICCM Chapter 17-3 states that fixed asset amounts from the quarterly equipment, vehicle, and software reports from General Accounting should be reconciled as of the transfer date.	Department-provided fixed assets amounts were compared to SAP fixed assets reports.

Additionally, we determined whether the annual reporting of sensitive equipment was filed with ATC-IAD, whether a Signature/Fund Custodian Authorization form was submitted to the ATC Accounts Payable Section, and whether the assigned County credit cards and/or Cal-Cards were canceled with the Purchasing Department.

## Summary

The Department reported:

Asset	Amount
Cash	\$ 2,000
Fiduciary Funds	-
Fixed Assets	76,492,125
Other Assets	2,029,186

A Signature/Fund Custodian Authorization form was not required to be submitted as the outgoing officer reassumed the role of Assistant Chief Information Officer for the Department. Assigned County credit cards and/or Cal-Cards for the outgoing official were not required to be canceled with the Purchasing Department, as the outgoing officer reassumed the role of Assistant Chief Information Officer for the Department. A sensitive equipment listing has been filed with IAD within the last year.

The following conditions were noted:

- The Department was required to submit the CSAT form no later than May 26, 2023, and the CSAT form was submitted on July 10, 2023, therefore it was 28 business days late.
- Cash funds of \$2,000 were reported on the CSAT form; however, the amount did not agree with the cash fund control records. Cash reported in the cash fund control records as of the date of transfer of May 20, 2023, totaled \$2,500. Therefore, the amount reported on the CSAT form was \$500 lower than the cash fund control records.
- Fixed assets of \$76,492,125 were reported on the CSAT form; however, the amount did not agree with the SAP fixed assets records. The SAP reports from the date of transfer of May 20, 2023, totaled \$76,752,450. Therefore, the amount reported on the CSAT form was \$260,325 lower than official County records.

### **Conclusion**

The Department's CSAT form for the incoming official Lynn Fyhrlund, Chief Information Officer, with the transfer date of May 20, 2023, was complete, however, it was not filed in a timely manner, and there were amounts that were reported inaccurately.

We recommend that the Department investigate the differences and ensure that department records can be reconciled to official County records for all asset categories.
