

San Bernardino County State of California POPULAR ANNUAL FINANCIAL REPORT

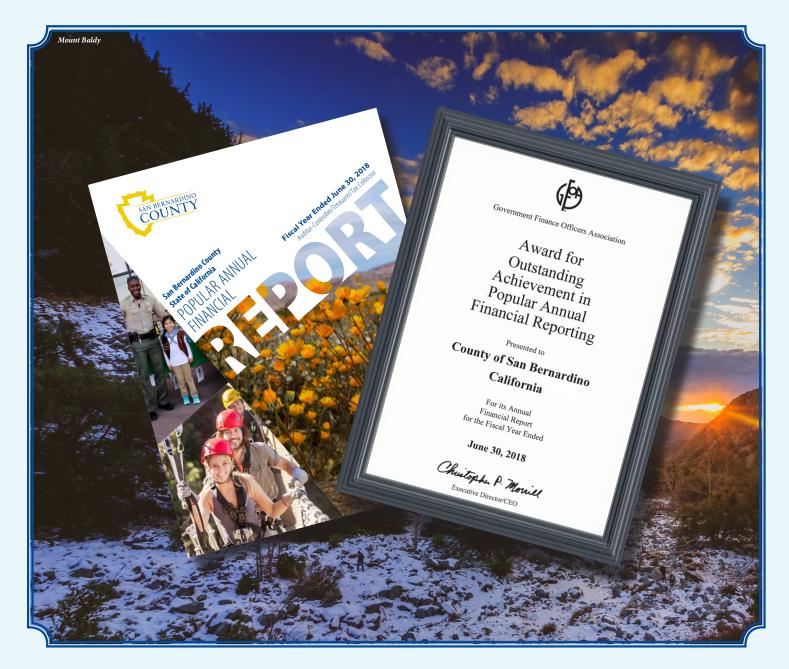

Fiscal Year Ended June 30, 2019 ENSEN MASON CPA, CFA Auditor-Controller/Treasurer/Tax Collector

AWARDS AND ACHIEVEMENTS

OUTSTANDING ACHIEVEMENT AWARD

The Government Finance Officers Association of the United States and Canada has given the Award for Outstanding Achievement in Popular Annual Financial Reporting to the County of San Bernardino, California for the fiscal year ended June 30, 2018. This prestigious national award recognizes conformance with the highest standards for the preparation of state and local governments' popular reports. To receive this award a government must publish a Popular Annual Financial Report whose contents conform to program standards of creativity, presentation, understandability, and reader appeal. An Award for Outstanding Achievement in Popular Annual Financial Reporting is valid for only one year. We believe our current report continues to conform to the Popular Annual Financial Reporting requirements and we are submitting it to the Government Finance Officers Association for consideration.

AUDITOR-CONTROLLER/TREASURER/TAX COLLECTOR MESSAGE

DECEMBER 20, 2019

I am pleased to present San Bernardino County's Popular Annual Financial Report (PAFR) for the fiscal year ended June 30, 2019.

The goal of this report is to increase public awareness of San Bernardino County finances by providing financial information that is understandable to the average citizen. I invite you to share any questions, concerns, or comments you may have.

Financial data in this report is derived from the County's Comprehensive Annual Financial Report (CAFR), and it conforms with Generally Accepted Accounting Principles (GAAP). The economic, demographic and other data are derived from various other unrelated sources.

Ensen Mason CPA, CFA Auditor-Controller/Treasurer/Tax Collecto

For more in-depth knowledge I also encourage you to review San Bernardino County's CAFR, which is available at the Auditor-Controller/Treasurer/Tax Collector's office located at 268 Hospitality Lane, San Bernardino CA 92415, and on-line at www.sbcounty.gov/atc.

FINANCIAL HIGHLIGHTS

- · The County's total net position increased by million, for a total net position of \$3.2 billion increase in net position is primarily the res increases in revenues that were proportionately than increases in expenses.
- As of June 30, 2019, the County governmental reported combined fund balances of \$2.5 billio increase of \$229 million, 10.3%, from the beginn the fiscal year.
- · Amounts available for spending for the Genera totaled \$1.2 billion, or 43.4% of total General expenditures.
- The County's total capital assets before netted ag depreciation amounted to \$5.2 billion, an increa 4.3% in comparison with the prior year.
- · The County's total long-term debt obligation decreased by \$106 million, 9.6%, in comparison the prior year.

Governmental funds:

are those through which governmental functions are accounted for, except business-type functions. Governmental funds include general, special revenue, capital projects, debt service and permanent funds.

General fund:

is the chief operating fund of the county. It accounts for all revenues and expenditures that are not accounted for through other funds.

Fund Balance:

may serve as a useful measure of a government's net resources at fiscal year-end. A positive fund balance means there are more resources than obligations. A negative fund balance means just the opposite.

ROLE OF COUNTY GOVERNMENT

OUR JOB: Our job is to create a county in which those who reside and invest can prosper and achieve well-being.

OUR PARADIGM: The County of San Bernardino is a regional government. We understand that every aspect of the quality of life in a commuty is part of an interrelated system. The County takes responsibility for ensuring that the community has determined how, when and by whom each element of that system is being addressed in pursuit of our shared Vision of the county and the future we desire.

2

COUNTY OVERVIEW

Gary McBride Chief Executive Officer

San Bernardino County was established on April 26, 1853 by an act of the State Legislature. It lies east of Los Angeles, Orange, and Kern Counties, north of Riverside County and south of Inyo County, and covers an area of more than 20,160 square miles. It is the largest county in the contiguous United States. It is larger than nine states. It contains 24 incorporated cities and towns. About 90 percent of the county is desert; the remainder consists of the San Bernardino Mountains and the San Bernardino Valley. Popular attractions in the County include the San Bernardino National Forest, Joshua Tree National Park, Death Valley National Park, and the East Mojave Scenic Area.

The County provides a wide range of services to its residents, including police protection, criminal prosecution, medical and health services, education, senior citizen assistance, roads, library services, support for judicial institutions, airport services, cultural and environmental services, parks, and a variety of public assistance programs.

ECONOMIC OUTLOOK

Overview

San Bernardino County is one of the most populous counties in the State, ranking fifth after Los Angeles, San Diego, Orange, and Riverside counties. While businesses continue to look to San Bernardino County for its available land and an expanding local market, families are drawn by relatively affordable housing, as compared to neighboring Los Angeles and Orange Counties. The geographic location, transportation infrastructure, and large immediate market have also made the County a desirable location as a regional distribution center for national and international firms.

San Bernardino County's economy continues moving into a record breaking expansion. In 2019, the U.S. Bureau of Labor Statistics finds its major sectors are again experiencing strong growth. This has reduced the county's poverty rate from 20.4% in 2012 to 14.9% in 2018. The Riverside-San Bernardino metro area of which the County is the major employer has California's fastest job growth Yucaipa Regional Park with jobs now 19.1% above their pre-recession peak (California 12.8% higher; U.S. 16.8%). Additionally, major taxable revenue streams are exceeding their former records on an inflation adjusted basis.

Industry and Employment

The County is experiencing strong employment growth. During the Great Recession (2008-2011), the County lost 68,000 jobs. However from 2012-2019, it added 174,400 positions. The County thus had 781,900 jobs in early 2019, 122,500 more than in its 2007 pre-recession peak of 675,300. Its 2019 growth was 11,600 positions (1.5%). The unemployment rate is down from a high of 13.5% in 2010 to 3.3% in September 2019. In comparison, the state-wide unadjusted rate is 3.5%; the U.S. is at 3.3%.

Among economic base sectors driving the County's economy, logistics activity led the County's job growth. In 2018, the sector is up 8,400 new jobs following a gain of 12,000 the prior year. In 2018, it created 43% of the County's 19,400 new jobs as companies like Amazon underwent major expansions. This sector is being driven by the strong growth of Southern California's economy, record setting port activity and e-commerce that is expanding nationally at a rate of 15.0% compounded each year. In Southern California, nearly all the fulfillment centers are located in the County. The sector's 2019 median pay was \$49,106.

Health Care and social services growth added to the County's economic base in 2018. The increase of 4,800 new jobs reflects a 24.7% share of employment growth. Its 2019 median pay was \$65,757. The County's population growth (121,565 people) and a decline in uninsured people from 21% in 2012 to 8.9% in 2018 drove this expansion.

Construction was the County's other major expanding economic base sector. In 2018, the group added 2,400 workers, a 12.4% share of growth. Infrastructure, as well as industrial and residential construction, drove the sector with a median pay of \$53,000 in 2019.

Assessed Valuation

In second guarter 2019, the median priced existing home in the County sold for \$333,500, up 0.2% from the prior year. This followed an increase of 6.4% in 2018. New homes sold for \$477,750, a reduction of 1.9% after a 9.9% gain in 2018. Homebuyers are finding San Bernardino County very affordable compared to other Southern California regions. 2019 data showed that 50% of its families could afford the prices of its bottom 50% of homes, making the County Southern California's most affordable county compared to Riverside (39%), Orange (24%) and Los Angeles (29%) counties. With most residential prices rising, along with industrial prices that are 38.2% above their pre-recession peak, the county's assessed valuation has reached 30.3% above its July 1, 2008 high. Since 2008-2019 prices are up 21.8%, the purchasing power of the County's property taxes are at a record level.

Retail Sales

Also important to the funding of local governments, the County's retail sales increased 7.2% in 2018 with total taxable sales reaching a record \$40.9 billion. That was 30.5% above the prior high in 2006 (\$31.3 billion) and above the 26.4% rise in prices from 2006-2018. The purchasing power of the County's sales taxes are thus also above their 2006 record level. As a result, employment within the retail, food service and accommodation sectors that impact taxable sales was up 1,200 jobs in 2018 representing 20.2% of the County's job gain. The modest increase reflects the downward pressure from ecommerce on brick and mortar retail sales.

SAN BERNARDINO COUNTY

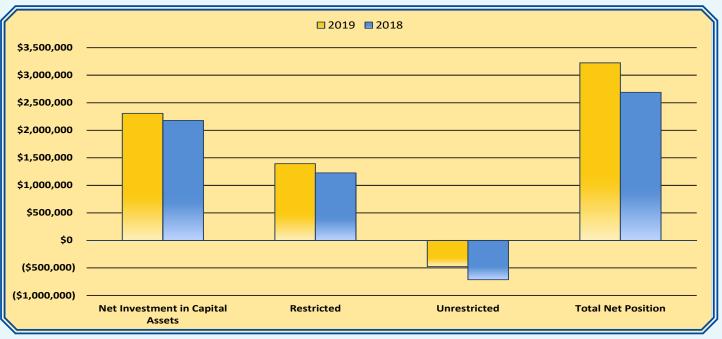

> The Statement of Net Position presents information on all of the County assets, deferred outflows of resources, liabilities, and deferred inflows of resources with the difference between them reported as net position. Over time, an increase or decrease in net position may serve as a useful indicator of whether the County's financial position is improving or deteriorating.

> As of June 30, 2019, the County's net position totaled \$3.2 billion, an increase of \$536 million or 19.9% from the previous year. This increase is primarily the result of a reduction of deferred inflows of resources related to pensions, as well as increases in operating grants/contributions and tax revenue.

The information on this schedule is derived from the County's Comprehensive Annual Financial Report (CAFR), which is presented in conformity with generally accepted accounting principles (GAAP), and contains more information.

NET POSITION COMPONENTS (amounts in thousands)

Below are the three components of net position and their respective fiscal year-end balances.

- capital assets increased by \$129 million or 5.9% in comparison with the prior year.
- the prior year.
- \$475,592 with a deficit reduction of \$239 million or 33.4% in comparison with the prior year.

COUNTY FINANCIALS

• The largest component of the County's net position, about 71.5% or \$2,306,812, was invested in capital assets, less any related outstanding debt used to acquire those assets. Even though the County's investment in capital assets is reported net of related debt, the capital assets themselves cannot be used to pay the County's debt, and so the resources needed to pay these liabilities must be provided from other resources. The net position components, net investment in

• The second component of the County's net position is restricted net position. Restricted means that these resources are subject to external restrictions on how they may be used. External restrictions include those imposed by grantors, regulators, or restrictions imposed by law through constitutional provision or legislation, including those passed by the County itself. Total restricted net position is \$1,393,889 with an increase of \$168 million or 13.7% in comparison with

The last component of net position is unrestricted net position. Unrestricted net position consists of resources that the County may use to meet its ongoing obligations to citizens and creditors. Total unrestricted net position is a deficit of

CAPITAL ASSETS

As of June 30, 2019, the County's capital

assets totaled \$5.2 billion, an increase of

\$214 million or 4.3% from the previous

year. The largest increase occurred in

Structures and Improvements which

amounted to \$75 million. The increase

is primarly due to the addition of 6 crisis

residential facilities, Information Service

Department building acquisition, and

the completion of the High Desert Fleet

Service building. The next largest increase

occurred in Development in Progress,

which is primarily due to an increase in several Flood Control and Solid Waste

projects. Equipment and Software

increase of \$48 million is primarily due

to the addition of licensed vehicles and

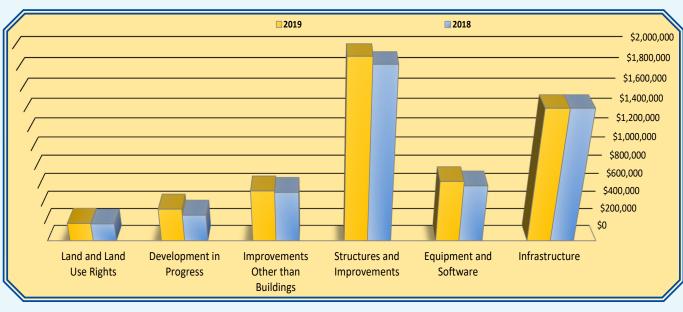

medical equipment.

(AMOUNTS IN THOUSANDS)

Capital assets include land, land use rights, development in progress, improvements other than buildings, structures and improvements, equipment, software and infrastructure, that are used to provide service to the citizens of the County.

Governmental Activities are functions of the County that are principally supported by taxes and intergovernmental revenues.

Business-type Activities are functions of the County that are intended to recover all or part of their costs through user fees and charges.

As of June 30, 2019, the County's long-term liabilities totaled \$3.8 billion. This decrease of \$178 million from previous year is a result of decreases in Revenue Bonds and Other Bonds and Notes.

DEBT INSTRUMENTS

Certificates of Participation are long-term debt instruments that are repaid from the County's general revenue sources, and are collateralized by certain County facilities.

General Obligation Bonds are long-term debt instruments that are repaid from the County's general revenue sources. They are backed by the full faith and credit of the County.

Revenue Bonds are long-term debt instruments that are repaid from future pledged revenue streams.

Long-Term Notes and Loans are debt instruments used by the County for various public works projects.

Capital Lease Obligations are contracts made by the County's departments for the acquisition of assets such as copiers, mail machines, and so forth. The departments pay for these contracts from their annual budgets.

Bond ratings are important not only for their role in informing investors, but also because the affect it has on the interest rate that the County pays on its issued bonds. If the bond rating is good, the County is likely to pay its bond obligations. If a bond rating agency gives the County a high rating (or if it raises the rating), that's a great sign for anyone holding the County's debt.

5 YEAR REVENUE & EXPENSE TREND

STATEMENT OF ACTIVITIES (AMOUNTS IN THOUSANDS)

The Statement of Activities provides information on the County's revenues and expenses along with transfers, with the difference reported as changes in net position.

Revenues are monies the County receives from a variety of sources to pay for the services it provides.

Expenses are the amounts spent to provide services to citizens.

Changes in Net Position represent the difference between revenues and expenses/transfers.

As of June 30, 2019, the County's revenues totaled \$4.7 billion, an increase of 10.0%. This increase in revenues was due to continued increases in assessed valuation of properties within the County resulting in higher property tax and Unrestricted Revenues from Use of Money and Property.

County's expenses totaled \$4.2 billion, with an increase of 5.4%, primarily due to increases in Health and Sanitation and Other expenses. The increase in Health and Sanitation expenditures was primarily associated with increased staffing costs and the increase in service provider contracts for crisis services. The increase in Other expenses was primarily due to an increase in Water, Sewer and Sanitation costs.

Over the past five fiscal years, revenues have been steadily increasing. This increase is primarily due to increases in assessed valuation of properties within the County, realignment growth apportionments, and sales tax revenue including the one-half percent sales tax imposed by Proposition 172.

Expenses have been rising primarily due to negotiated salary increases and overall pension costs.

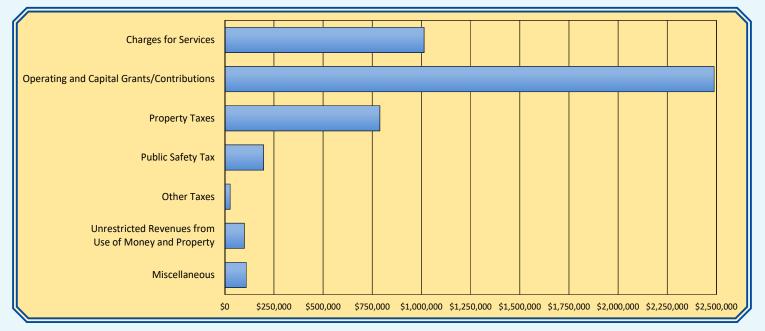

FINANCIAL ACTIVITIES - REVENUES

(AMOUNTS IN THOUSANDS)

EXPENSES FOR 2019: \$4,188,720

REVENUES FOR 2019: \$4,724,352

Program Revenues include:

Charges for services are revenues generated from licenses, permits, other fees, fines, forfeitures, and charges paid by the recipients of goods and services offered by County programs.

Operating/Capital Grants/Contributions represent grants and contributions received from other governments, organizations and individuals that are restricted to meeting the operational or capital requirements of a particular program in some manner.

General Revenues are those revenues that are not classified as program revenues. All taxes, even those that are limited to particular functions, are considered general revenues.

County

CountyWire

The one-stop location for County news and information. News releases, event listings, announcements, photos, and other content from

all County departments can be found here, with an opportunity for you to comment and ask questions. Stay informed by making CountyWire a regular part of your day. http://wp.sbcounty.gov/cao/ countywire/

CountvDirect CountyDirect is a public service provided by the San Bernardino County Board of Supervisors as part of its ongoing com-

mitment to improve public access to County government information. You can use the service to get live and on-demand video access to County's meetings, events and informational presentations. http://www.sbcounty.gov/main/countydirect.asp

2019-20 County Adopted Budget

The County's \$6.9 billion final budget for 2018-19 was adopted on June 11, 2019. The budget serves a fiscally sound spending plan and provides appropriation authority for County departments for the period from July 1, 2019 to June 30, 2020

MISSION STATEMENT

San Bernardino County Fleet Management Department provides vehicles, equipment and services to the officials and employees of the County so that they may provide services that promote health, safety, well-being and quality of life to the residents of the County.

The primary objective of Fleet Management is to perform our mission:

- Better(effectiveness) = Customer satisfaction, vehicle safety/reliability, vehicle appearance
- Cheaper (value) = the best guality services and repairs balanced against costs.
- Faster (expedient) = Quick turn-around of repairs/maintenance

Fleet Management is an internal service fund that recaptures all expenses through rates to user groups and is comprised of two operating units:

> Garage Division: Operates six repair/maintenance facilities and over 60 County owned fuel sites. Motor Pool: Provides vehicle and equipment rentals.

TECHNOLOGY:

The Information Services Department received \$1.6 million in ongoing Discretionary General Funding for an ESRI GIS system licensing and support costs enterprise agreement in an effort to better understand the public's needs and to improve communication between County departments and the public. This agreement will eliminate the need for individual departments to execute individual GIS software agreements.

PUBLIC ASSISTANCE:

The Office of Homeless Services (OHS) received \$9.4 million in Homeless Emergency Aid Program (HEAP) grant funding in

2018-19. Of this amount, \$1.1 million has been allocated to fiscal year 2019-20 to collaborate with 22 entities that will provide services to an estimated 4,600 homeless individuals and families that are at imminent risk of homelessness throughout San Bernardino County.

RECREATION AND CULTURAL:

The County Museum's budget of \$3.9 million demonstrates the County's commitment to support the Museum's operations and activities. The County Museum continues to partner with the San Bernardino County Museum Association to increase grant funding and individual donations. With these resources, the County Museum continues to implement improvements in programming, operations, and facilities, which has led to a 5-year increase in general public and school group attendance.

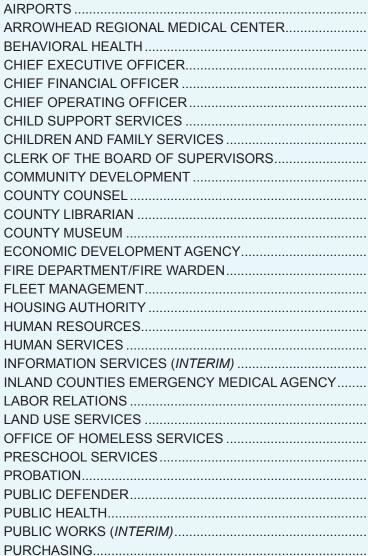

PUBLIC PROTECTION:

The District Attorney's Office - Bureau of Victim Services received grant funding for a Mass Victimization Advocate (MVA) to further develop a comprehensive crisis response/mass victimization assistance plan. The plan will be structured to identify and respond to victim needs such as safety, food, shelter and immediate services in the aftermath of a mass victimization/terrorism incident. The MVA will also develop and implement mutual aid memoranda of understanding with the Victim Witness Centers from the Southern California counties to facilitate a regional response to mass victimization.

MAJOR INITIATIVES

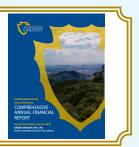

For a more detailed and complete presentation of the County's finances, the County also releases a Comprehensive Annual Financial Report (CAFR), found at http://www.sbcounty. aov/ATC/Services/Documents
